Glory to God who from the heav'n above, rulest supreme the world.

Ev'ry flow'r feels the power of the budding April time,
Ev'ry heart doth bear its part in praising Thee, O Lord, divine.
So the breeze on the seas, neath a cloudless summer sky,
Shows thy face reflected, from the great throne on high!
In the dark day of sorrow our comfort Thou art,
From Thee must we borrow all solace for the heart.
God is there. Haste, His mercy implore; All acclaim His great name. Sov'reign Lord, for evermore.

Glory Thou who art Lord of all;
Who to thy power doth all mercy unite.
Works of man endure not, all they pass in a night;
Thou for ever reignest in thy splendour and might!
Glory thou who art Lord of all;
God of love, God of love, God of might, God for ever.
